**Robert G. Stubbe, P.E.**  
Public Works Director

To Whom It May Concern:

Construction on 120<sup>th</sup> St. from Stonegate Dr. to Roanoke Blvd. is getting ready to begin for the 2022 season. The contractor has completed construction of the Big Papillion Creek Bridge and the pavement north of the bridge. In 2022, the contractor will be reconstructing the northbound lanes of 120<sup>th</sup> St. from Stonegate Dr. to the Big Papillion Creek as well as the intersection of 120<sup>th</sup> St. & W Maple Rd.

This notice is to inform you that beginning **March 14<sup>th</sup>, 2022**, 120<sup>th</sup> St. from Stonegate Dr. to Roanoke Blvd. will be in a head-to-head traffic configuration on the west lanes of 120<sup>th</sup> St. Additionally, Old Maple Rd. will be closed at 120<sup>th</sup> St. This will allow the contractor to begin work on the new northbound lanes of 120<sup>th</sup> St. The contractor is anticipating this traffic control configuration to remain in place through the summer.
