168th Street Improvement Project

West Dodge to West Maple

Northwest Transportation Improvements | Omaha, NE

Project Purpose

Increase safety

Increase capacity

Decrease congestion

Project Location

The 168th Street Improvement Project will be constructed in two phases. The portion of 168th Street from Blondo to West Maple, including the intersection of 168th Street and Blondo will be constructed first. The West Dodge Street to Blondo portion of 168th Street will be designed, but constructed in the future as funding becomes available.

Noise Impacts

- The potential for increased noise along the corridor is being investigated as part of the preliminary design.
- If noise impacts are predicted, mitigation measures such as noise walls are investigated.
- If noise walls are determined to be feasible and reasonable, the City will communicate with landowners to determine if they want the noise wall.
