**120th Street Project – Stonegate Drive to Roanoke Blvd**  
**Project: MAPA-5009(3)**  
**CN 22277**

Dear Tenant or Landowner:

The City of Omaha is happy to inform you that the 120<sup>th</sup> Street Project – Stonegate Drive to Roanoke Boulevard continues to progress in final design. Please be aware that project personnel will be working along the corridor in the near future to perform

Preliminary Right-of-way and Easement Staking and Field Review

During the field work, it is necessary for our crew(s) to enter your property adjacent to the roadway and set wood lath at the approximate locations of new right-of-way and easements. The lath will be utilized by public works personnel to complete a field review of right-of-way and design plans. Approximately 30 days after setting stakes, survey crews will remove the stakes.

Please advise if special arrangements will need to be made before entering your property.

The City will hold a preconstruction meeting for the 120<sup>th</sup> Street Project – Stonegate Drive to Roanoke Boulevard to provide the community a chance to see the final design and to provide information on the schedule of construction activities. We are anticipating this meeting to be held in late 2019 to early 2020 pending construction funding.

Please visit the Keep Omaha Moving website at: [www.KeepOmahaMoving.com](http://www.KeepOmahaMoving.com) to track future developments of this project and other future City projects.

Sincerely,  
Jon T. Meyer, PE
