

48th St. & Q St. Signalized Intersection

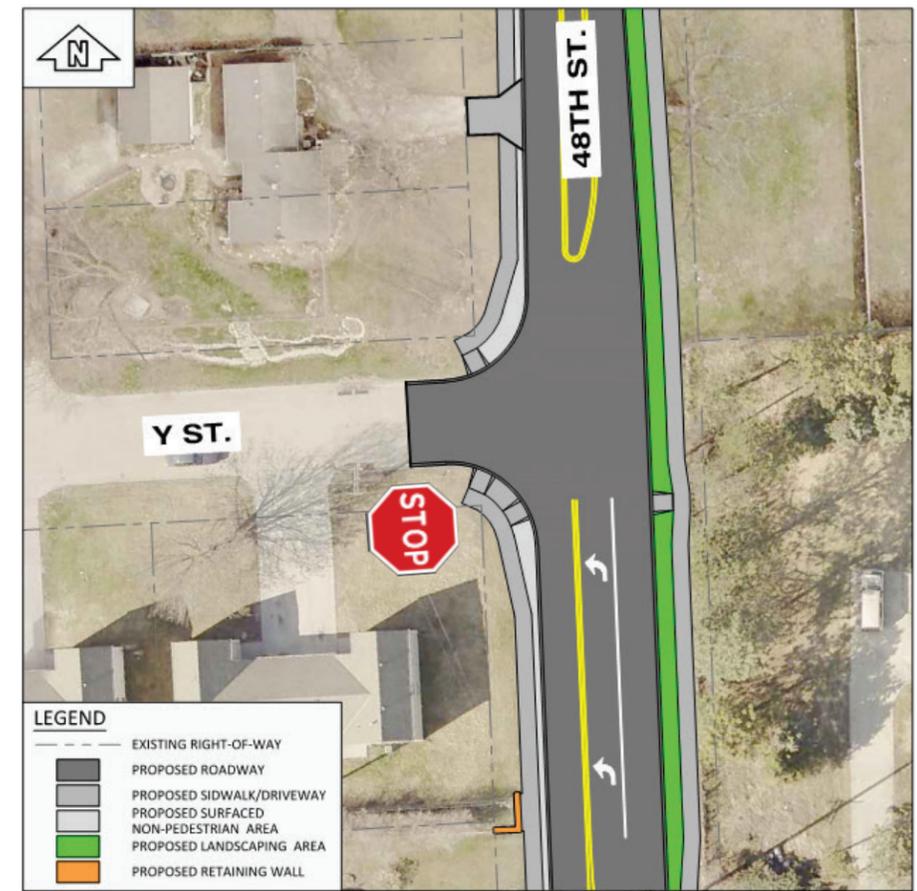

48th St. & Q St. Roundabout

Project Alternatives Analysis

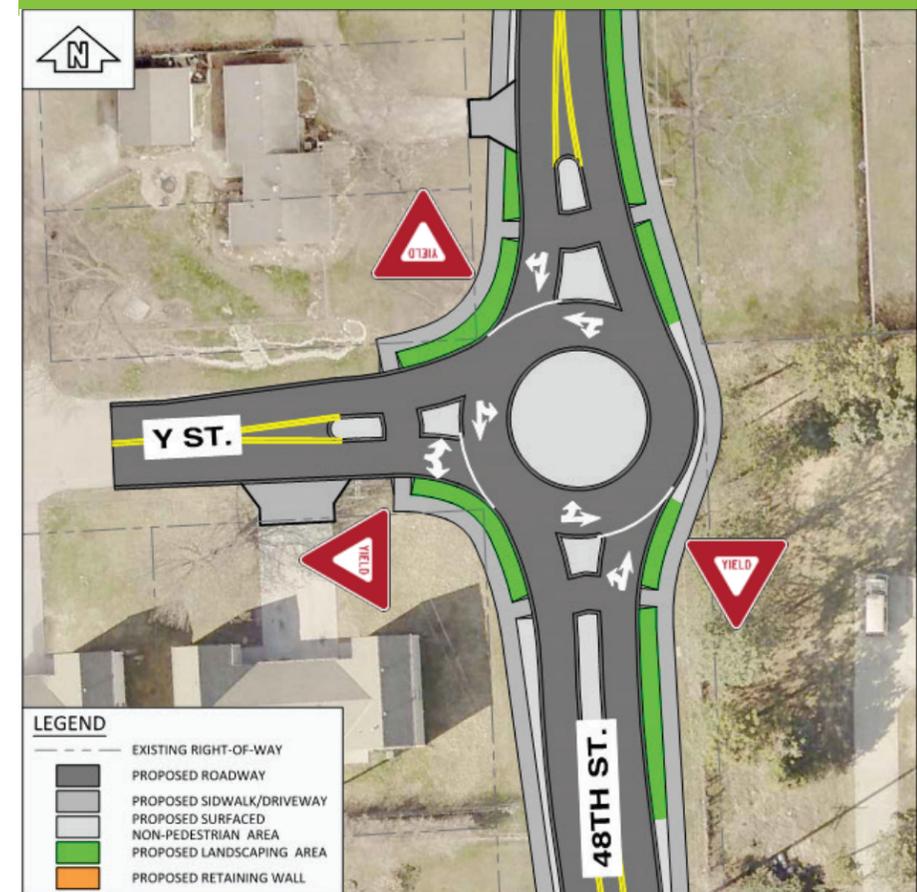

An analysis was completed for each cross-section as shown on page four of this hand-out. Additionally, the analysis includes each intersection control option as shown on this page. The analysis is a relative comparison between the alternatives for the criteria identified in the chart. The result is a qualitative assessment of the alternatives based on the criteria presented.

	Cross-Section Evaluation			Intersection Control Evaluation			
	No-Build	2-Lane	3-Lane	48th & Y		48th & Q	
				RA	SC	RA	Signal
Pavement Rehabilitation	○	●	●	NA	NA	NA	NA
Vehicle Safety	○	◐	●	●	◐	●	◐

Project Schedule

Typical Roadway Cross-Sections

48th Street Improvement Project

City of Omaha Project 52875
Omaha, NE

Virtual Public Information Meeting | June 23rd to July 23, 2020

Welcome!

The City of Omaha is hosting a virtual public information meeting to discuss the 48th Street Improvement Project. This online platform provides access to project related information at any time of the day. This project includes reconstruction of 48th Street between Harrison Street and 'Q' Street and on 'Q' Street between 48th Street and 44th Street. Project improvements include new pavement, sidewalks, and storm sewers.

Project information, documents, and a pre-recorded presentation will be available by clicking on the "48th Street Improvement Project" link on the Keep Omaha Moving website:

www.keeptomahamoving.com/index.php/projects

The website also provides the option to submit project comments to the project team, which includes a web map allowing participants to tie their comments to specific locations in the study area.

Meeting Purpose

- ↔ Improve Safety, Operations & Mobility
- 🚶 Enhance Pedestrian Facilities
- 📍 Improve Access Management
- 🚧 Replace Aging Pavement
