

# Welcome!

## 156th Street Improvement Project

### Public Open House

**Sign in here.**

City of Omaha  
1819 Farnam Street  
Omaha, NE 68183

# 156th Street - W. Maple Rd. to Fort St.

OPW 54870 Omaha, NE

## Project Location

- The project is located on 156th Street from just north of W. Maple Road through the Fort Street intersection.
- The proposed project would expand 156th Street to a four-lane roadway, divided by a median.

City of Omaha  
1819 Farnam Street  
Omaha, NE 68183

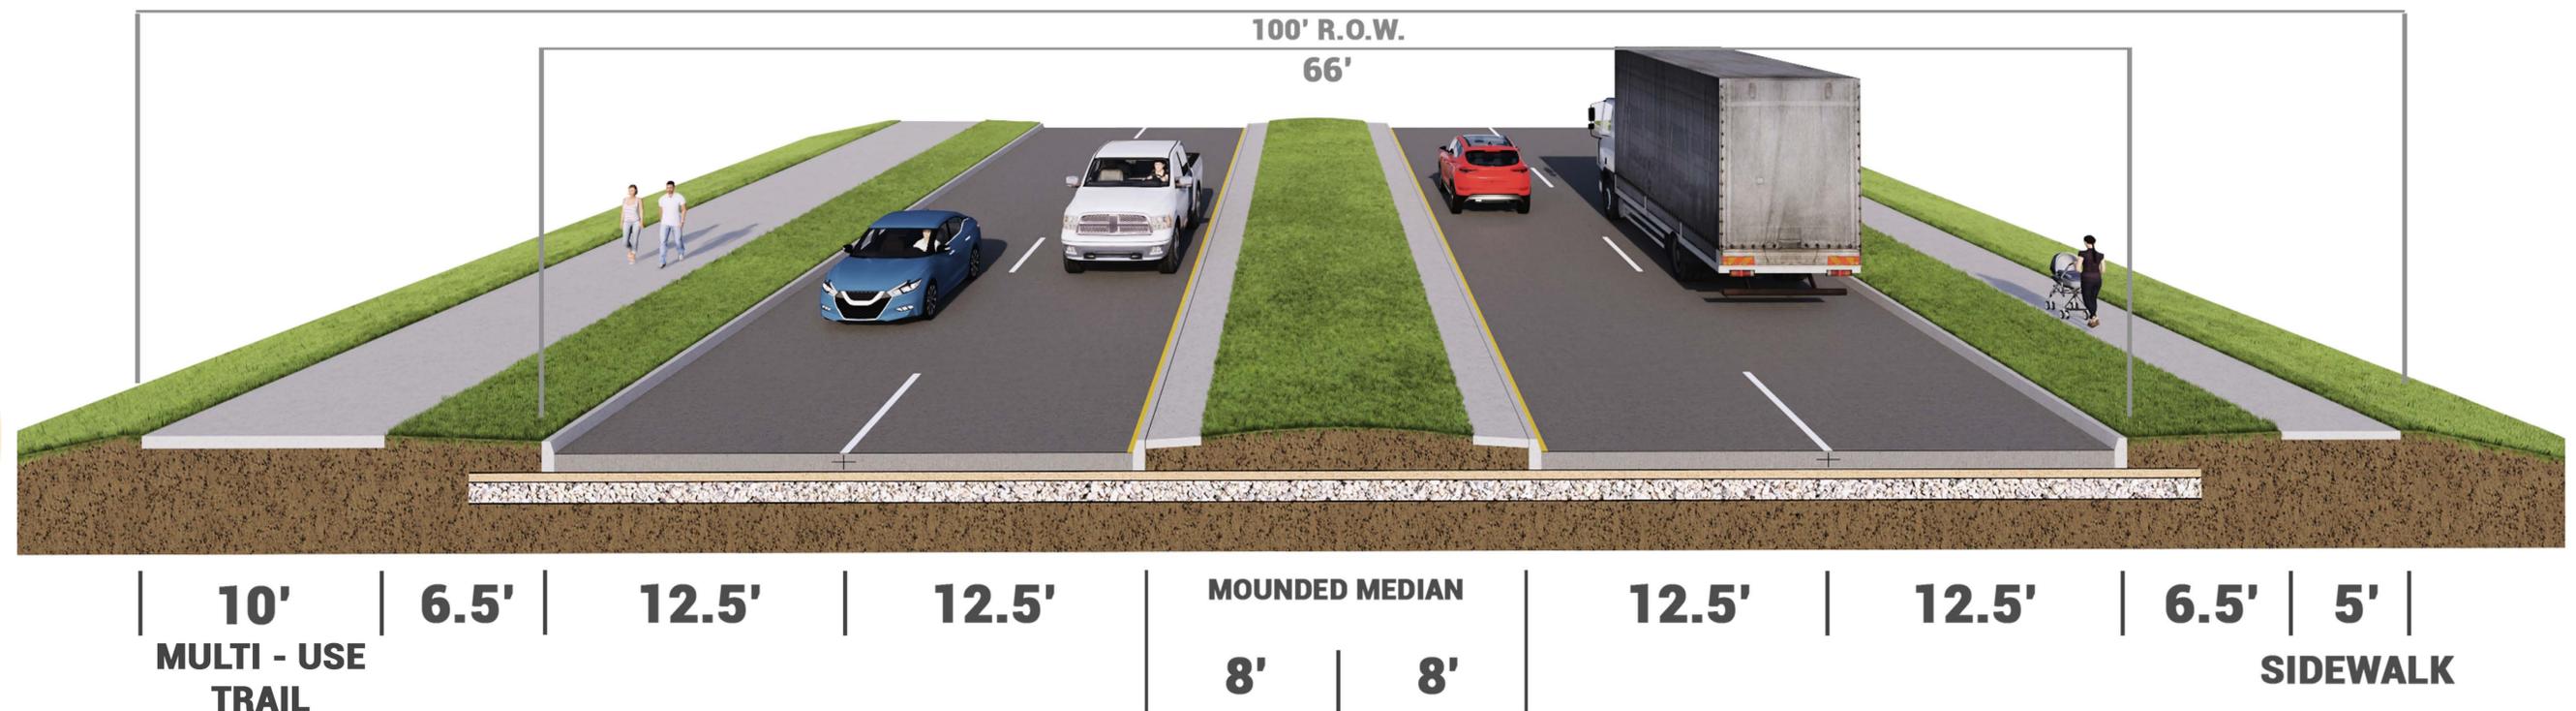

# 156th Street - W. Maple Rd. to Fort St.

OPW 54870 Omaha, NE

## Alternative Concepts Taylor Street

City of Omaha  
1819 Farnam Street  
Omaha, NE 68183

KEEP OMAHA  
moving

# 156th Street - W. Maple Rd. to Fort St.

OPW 54870 Omaha, NE

## Alternative Concept Sprague Street and Ruggles Street

This system of improvements...

- addresses significant safety issues including a history of crashes at the Spaulding Street/Plaza intersection and the northbound left-turns at these intersections backing traffic up into the intersection at W. Maple Road.
- allows for safer left-turn movement from southbound traffic into Spaulding Plaza.
- increases efficiency of traffic flow out of Spaulding Plaza by directing southbound traffic through the roundabout to make an easy and safer turn movement.

City of Omaha  
1819 Farnam Street  
Omaha, NE 68183

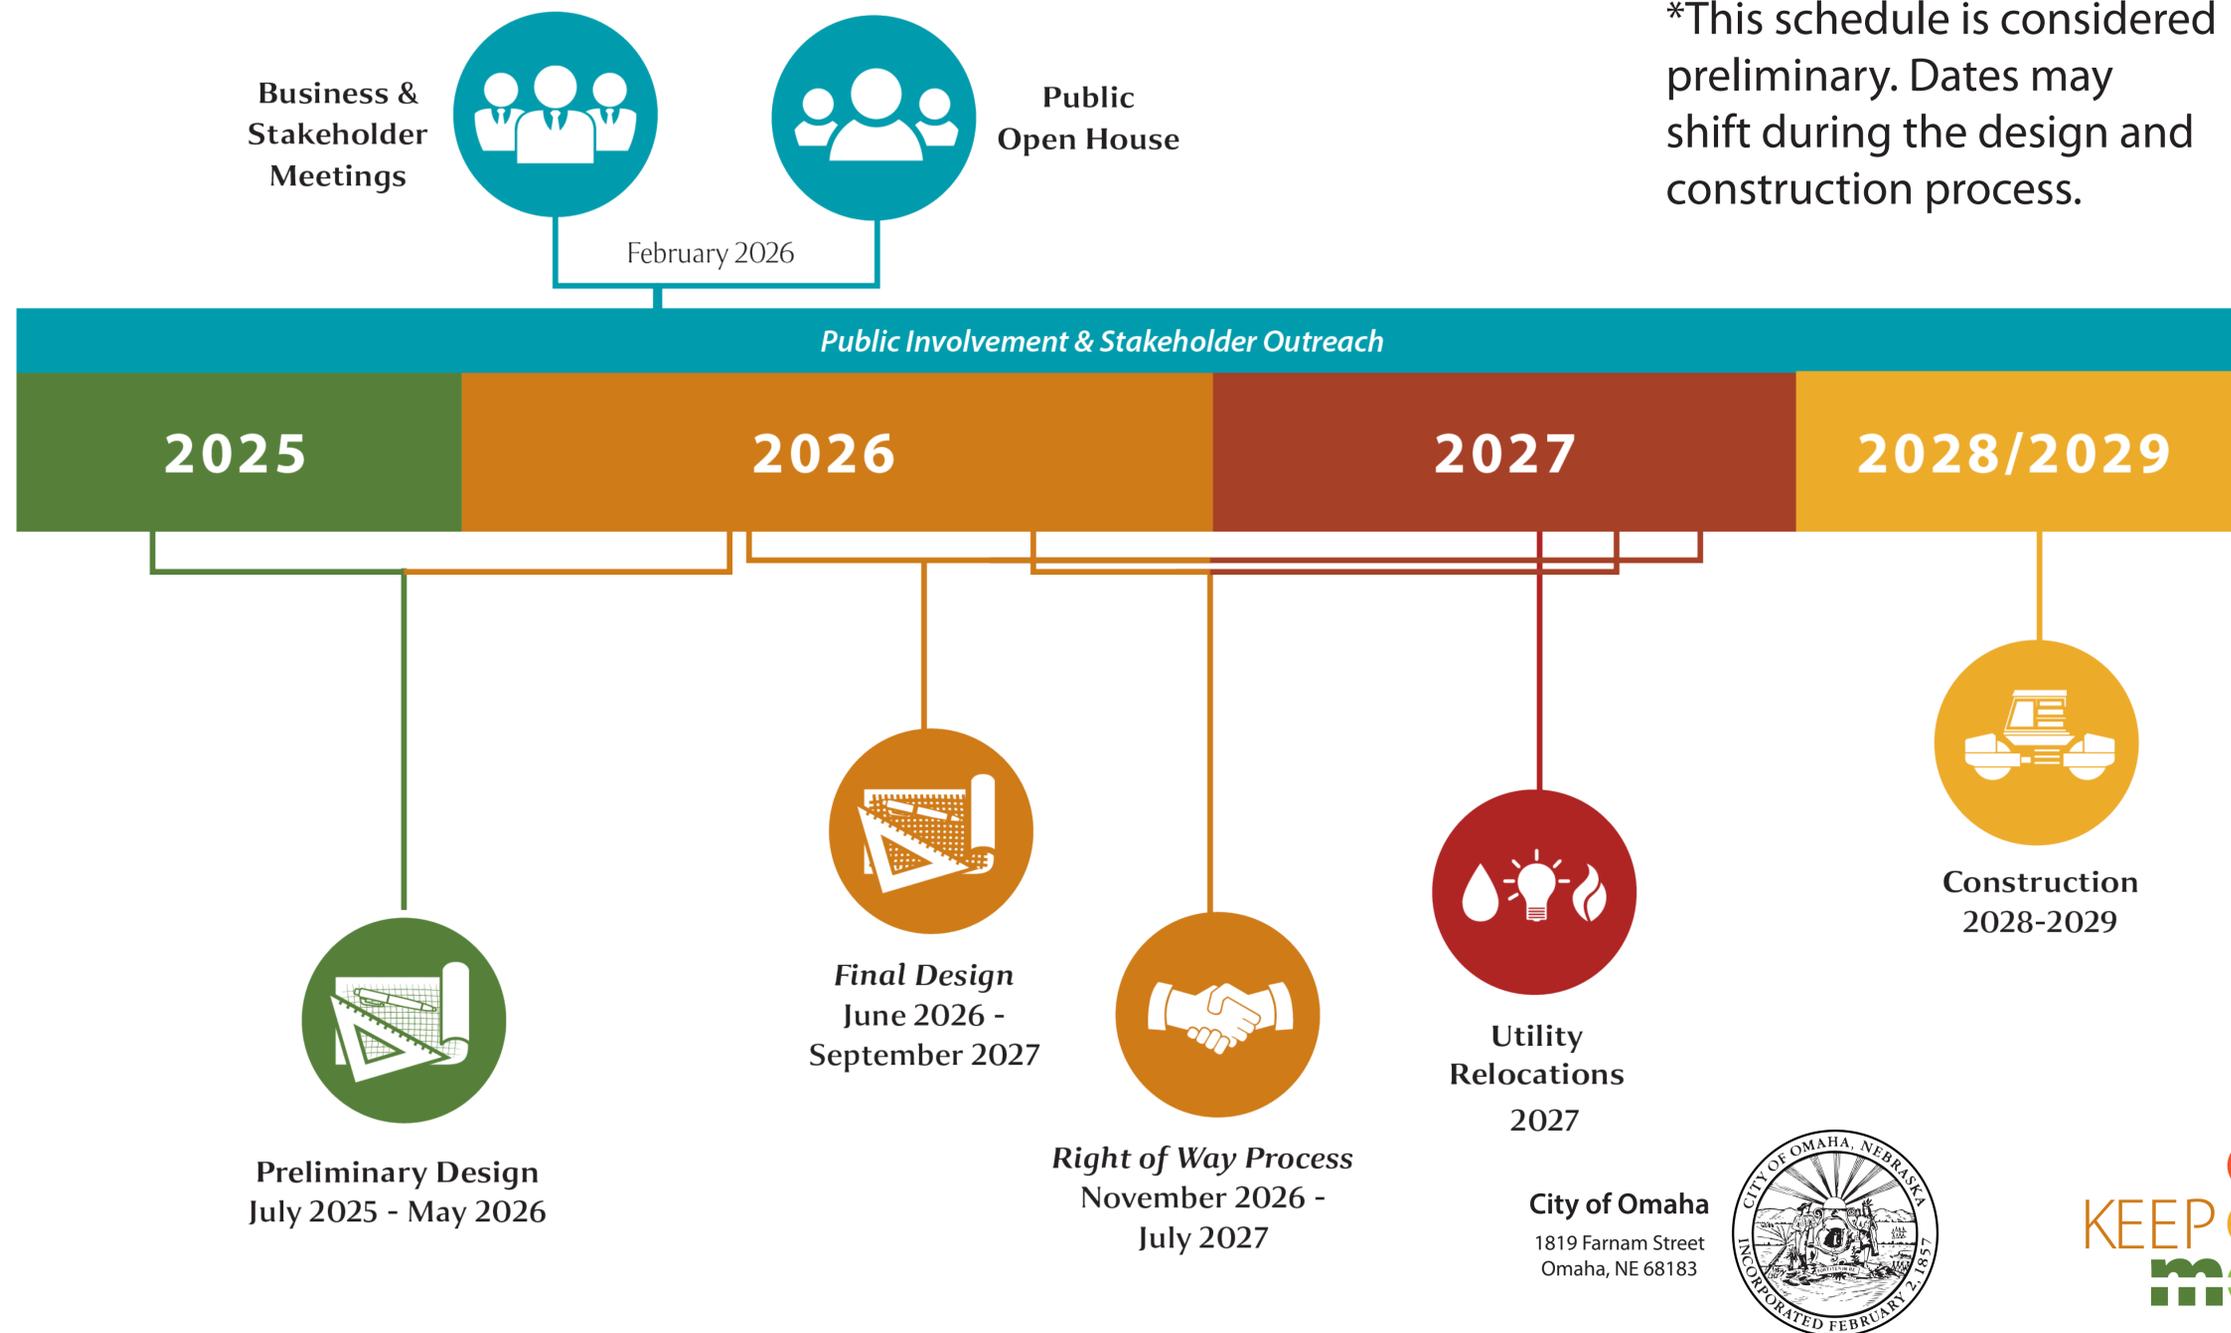

KEEP OMAHA  
moving

# 156th Street - W. Maple Rd. to Fort St.
