

48TH ST CLOSURE

“Q” ST TO HARRISON ST

STARTING
SEPTEMBER 30, 2024
FOR APPROX. 3 WEEKS

Update 9/16/2024. Gas and water mains in this area are required to be relocated due to the City of Omaha's 48th Street Improvements project. The gas main work is completed. Water main and street improvement work is concurrently being performed by the City of Omaha and its contractor, Hawkins Construction Company. For more information on the City's project, please visit: <https://www.keepomahamoving.com/projects/48th-street-improvements>.

M.U.D. needs to perform work on the 54" water main in 48th St and replace a hydrant in the area. There are no anticipated water service interruptions during this work. Your U.S. mail and garbage/recycling services should not be interrupted.

For questions and concerns, please reach out to Tina Gutschenritter (402) 504-7770 or email CustomerSuccessTeam@mudnebr.com.

We appreciate your patience as we work to invest in your neighborhood.

WILL USE HYDRANTS TO DRAIN WATER FROM THE 54" WATER MAIN BEGINNING SEPTEMBER 30

50th St and "L" St
49th St and "P" St
49th and "Q" St
48th St and Blood Creek
